

Lot and irrigation reference map

181 residential lot records + 4 contextual tract records | 19 lots linked to inventory | Geographic parcel snapshot October 9, 2026

Timer 1 Timer 2 Timer 3 Battery Lot with no confirmed link Contextual tract

Colors show documented inventory associations. They do not show hydraulic boundaries, valve locations or physical timer positions.
Use the companion atlas for enlarged tiles, addresses and the complete inventory. Battery entries are separate from central timers. Gray lots have no confirmed link; this does not mean no irrigation.
